Footnotes:

^{1/} The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1, if no previous statement has been filed.

^{2/} Committees required to file electronically (see footnote 5) must file this report if they receive a contribution of \$5,000 or more from a single source at any time other than the 90-day election cycle. ("Election cycle" is defined as 90 days prior to an election and ending on the date of the election.) No paper copy is required.

^{3/} Because April 30 falls on Saturday and July 31 falls on Sunday, these filing deadlines are extended to May 2 and August 1, respectively.

^{4/} Committees formed for measures already voted on: File the statements due April 30 and October 31, 2005, only if the committee has made contributions or expenditures to another measure committee during the period covered by the statement.

^{5/} In addition to paper reports, a committee must file electronically if, beginning January 1, 2000, the committee receives contributions or makes expenditures totaling \$50,000 or more. For more information, visit the Secretary of State's web site at www.ss.ca.gov.

Additional Notes:

- Except for deadlines that fall on a Saturday, Sunday, or an official state holiday, there is no provision in the law for extending a filing deadline. Late statements are subject to a \$10 per day late fine.

- All statements are public documents.
- A committee that makes expenditures totaling \$5,000 or more to an individual for his or her appearance in a printed, televised, or radio advertisement, or in a telephone message, to support or oppose the measure must file Form 511, Paid Spokesperson Report, within 10 days of making or promising payments totaling \$5,000 or more to the individual.
- If independent expenditures or late contributions totaling \$1,000 or more are made to support or oppose a single candidate, a single measure, or the qualification of a single measure, contact the FPPC for additional filing requirements.
- State candidates and committees supporting state candidates are subject to contribution limits. Ballot measure committees controlled by state candidates and some committees that feature state candidates in advertisements are also subject to contribution limits. Contact the FPPC for specific information.
